
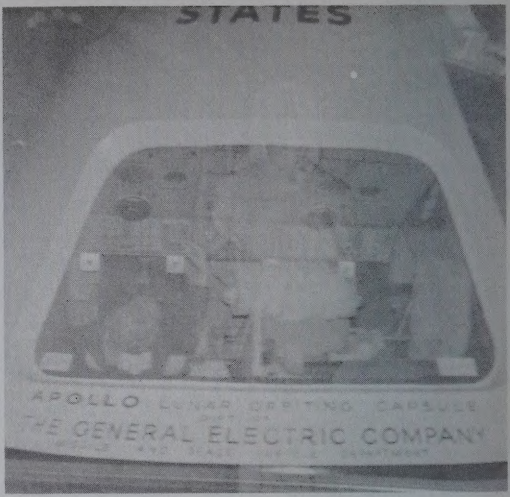
CAPRI

1967

Dedication



Young people are taking an increasing interest in world affairs. Students today must be more aware of the rapid changes around the globe.

"The Times They Are A-Changing" by Bob Dylan expresses in a succinct manner that which all must be ready to face.

The bigotry, the apathy, the hypocrisy and all the other vices of men must be recognized, corrected, and overcome by this generation.

This 1967 CAPRI is dedicated to bring mankind together in a common cause.

The world was fortunate to have had Gus Grissom, Ed White, and Roger Chaffee. The work they started will be continued by today's graduates.

THE TIMES THEY ARE A-CHANGING

by Bob Dylan

Come gather round people wherever you roam
And admit that the waters about you have grown,
And accept it that soon you'll be drenched to the bone
If your time to you is worth saving.
And you better start swimming or you'll sink like a stone
For the times they are a-changing.

Come writers and critics who prophecise with your pen
And keep your eyes wide the time won't come again,
And don't speak too soon For the wheel's still in spin
And there's no telling who that it's naming.
For the loser now will be a later to win
For the times they are a-changing.

Come senators, congressmen please heed the call
Don't stand in the doorway, don't block up the hall,
For he that gets hurt will be he that has stalled
There's a battle outside and it's raging.
It'll soon shake your windows and raffle your walls
For the times they are a-changing.

Come mothers and fathers throughout the land
And don't criticize if you can't understand,
Your sons and your daughters are beyond your command
Your old road is rapidly aging.
Please get a new one if you can't lend your hand
For the times they are a-changing.

The line it is drawn the curse it is cast
The slow ones now will later be fast,
As the present now will later be past
The order is rapidly fading.
And the first one now will later be last
For the times they are a-changing.

Among the usual sewing, home economics, and other classes, a new division of the Vocational Department has emerged. Mrs. Radlow initiated a ninth hour sewing class, credit free, open to all.

In the Boys Vocational Department, a new class entitled "Personal Relations" came into being. It aimed to teach boys how to dress, apply for a job, and how to get along in the business world.

The Health Department headed by Mr. Ralph Loeffler and newly appointed Mrs. Roberta Wishart, permitted students to escape the grind of a heavy, academic schedule.

Pent-up energy was better released in the form of modern dance exercises, brisk sprints around the gym track, and a cool dip in the luxurious pool.

Two new instructors have joined the ranks of the Health faculty. These include dance instructor Teresa Cole, and boys' health instructor Irving Petross.

A prime objective of the department was encouraging students to participate in the extra-curricular varsity teams.

The Foreign Language Department continued instruction in Spanish, French, Latin, and Russian.

From Vergil to Galdoz to Moliere, the Department gave students a keen insight into the aspects of foreign literature.

Demonstrating the rising space-age competition between Russian and the U.S., more students than ever joined the Russian class instructed by Mr. Nicholas Toyeas.

Use of the language lab was also continued. Students found the lab helpful in preparing for the college placement examinations.

Michael Crossley letts of a little steam.

The Fine Arts curriculum has provided opportunities of expression for both the talented and the simply interested student.

The Department, headed by Mr. Jack Shelby, encompasses photography, art, and music.

Mr. Michael Curtis and Mr. George Gelberman helped guide art students to capture their creative impulses on paper and canvas.

From making phsychedelic designs with poster board and chlorine bleach, to a trip to the Toledo "Age of Rembrandt" exhibit, Mumford's "artistic colony" was never without encouragement.

Many fine musicians have been produced under the competent batons of Mr. Jack Shelby and Mr. Joseph Kertesz.

The Department also takes credit for the production of the Winter and Spring Music Festivals and for aiding the sparkling success of "The Music Man".

The study of the changing times is the major task of our History Department headed by Maxwell Hutchinson.

Through courses ranging from contemporary affairs to American history, students are given the opportunity to review the past and its correlation with the moving present.

This year was particularly active. Included was a trip to Greenfield Village by the Michigan History class and a trip to Recorder's Court by several Civics classes.

Mumford was represented at the annual Detroit Boy's Day by Elliot Berry who served as a Councilman.

The yearly model UN Assembly at the University of Detroit was attended March 10-12.

Aspiring vocalists will find that the Fine Arts Department sponsors four singing groups. Under the leadership of Miss Grace Engel, the Choir, Choral Ensemble, and the Girls Glee provide a vocal background to the mood of the winter and spring Fine Arts festivals.

The Mumford Singers, directed by accompanist Gloria Dillard, are an extremely popular part of any assembly or performance. They portrayed the parts of the townspeople in Mumford's highly successful musical, "The Music Man". Their harmonious vocalizing greatly contributed to the mood of the play and helped to give it its professional tone.

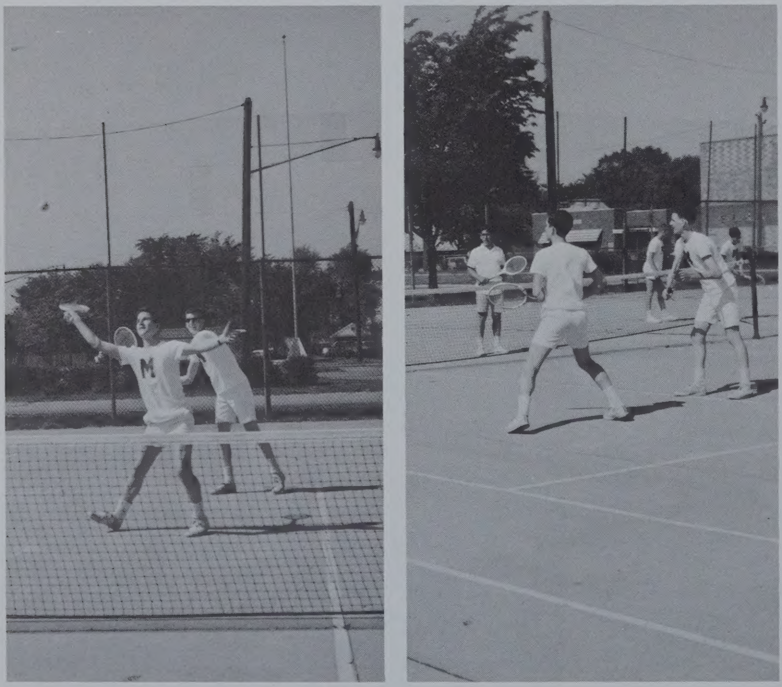
Mumford's netters clearly displayed to everyone that they were champions of the East Side by going undefeated in season's play. The squad completely outclassed all opposition in capturing their ninth straight divisional crown.



Lou Forman and Ron Cohen practice the teamwork needed for a winning season.

Although the linksters' championship hopes were shattered early in the season by a double defeat at the hands of league champion Denby, they rebounded to a fine 8-2 record, good for a second place finish. The team, comprised of Dan Bagdade, Dennis Penner, Steve Fishman, and Barry Bean, set a new school record May 3 by scoring a combined tally of 148.

Blessed with talent, the Mustang nine finished their somewhat disappointing season with a record of five won, five lost, and one tied.

Fine spirit and determination were trademarks of the squad, but the team was too often a victim of mental errors or bad breaks.

Barry Robbins, ace Mumford hurler and slugger, landed a berth on the All-City Team.

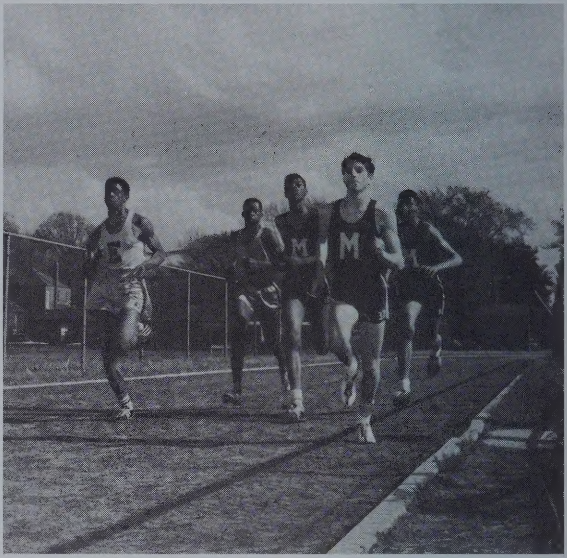
''The Slow One Now

Thinclad Daryl Landrum exhibits all out effort which resulted in frequent Mumford High jump wins.

Mumford's thinclads ran their way to a 7-2 overall record, with a 5-2 performance in league meets.

Outstanding showings were turned in by several of the fine trackmen who comprised the 1966 squad.

Senior Joel Kashdan had a great year, running the second fastest mile in Mustang history.



Bob Salinsky races the pack, soon to claim victory for Mumford in the mile run.

Marvin Lewis, John Spurlin, and Bob Salinsky lead the field en route to a Mumford cross country victory.

Mumford's speedy cross country team ran all the way to an East Side Championship before finishing a disappointing sixth in the city meet.

Ace harrier Bob Salinsky qualified for a spot on the All-City squad.

Striding easily Bob Foster makes his way toward the finish line.

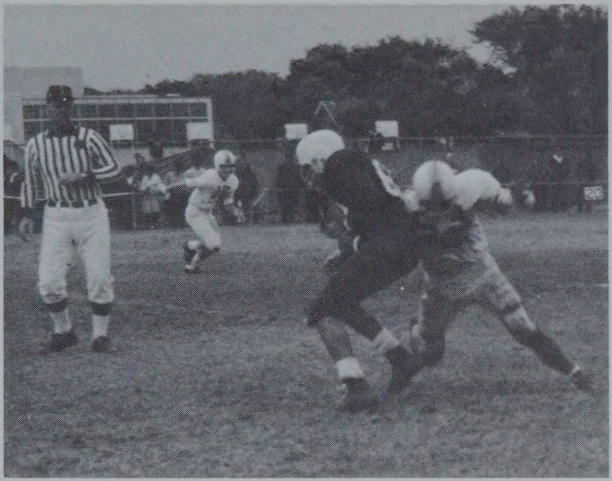
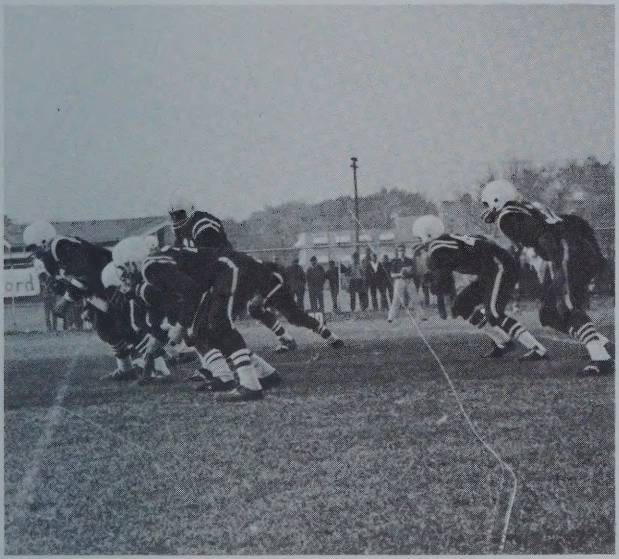
Unlike most of its predecessors, the 1966-1967 Mumford football team began and ended its season on a sad note. Penalties and misplays plagued the team game after game.

It was probably the most disasterous season in Mustang history.



Mustang end Tony Jacks falls victim to a Cass bone crushing tackle.



Captain Ray Johnson turns the corner and finds daylight ahead.

Rosy Albritton got on the receiving end of a Henry Andrews toss.

Nothing but open field lies ahead of Mustang runner en route to a rare Mumford touchdown.

SWIMMING

Starting the '66' - '67' season successfully, the boys defeated Eastern. But plagued with illness, their performances declined until after the last meet when, after five straight losses, they downed Mackenzie.

The 400-yard relay of John Cohn, Mike Cohen, Larry Lax, and Greg Warren finished fifth in the city meets at the end of the season.

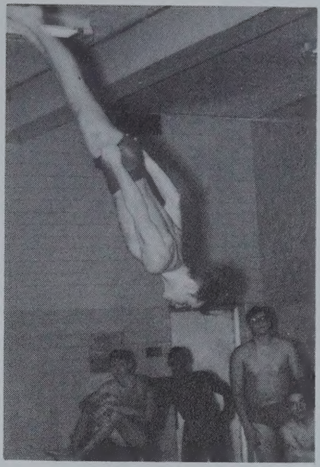
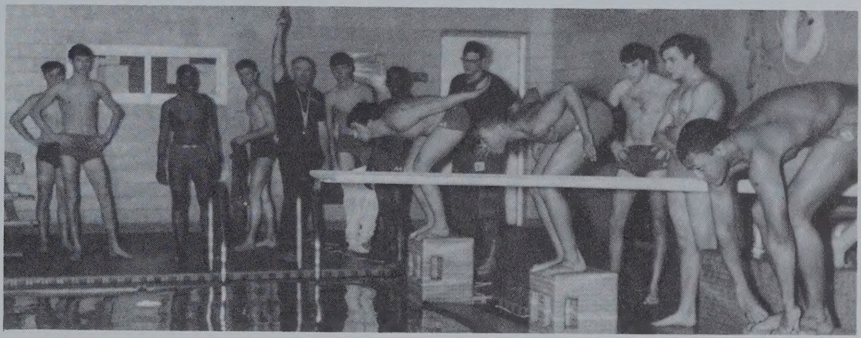
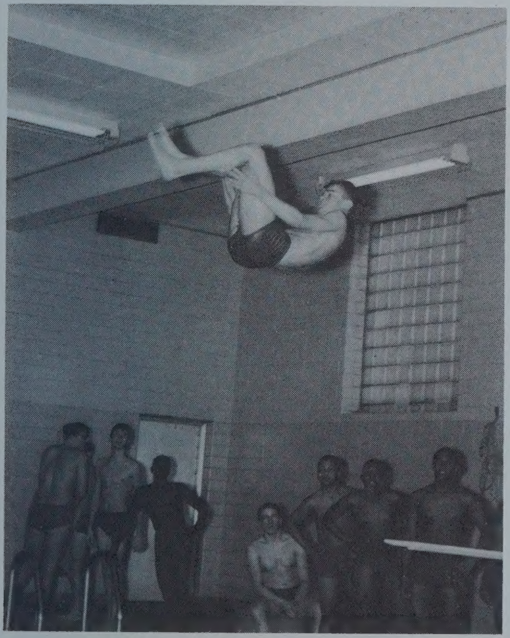
Had it been a winning season for the team, the coach really would have gone in!



This is the form Leon Nash used to take a first against Mackenzie.



Practice starts were a regular part of the training program.



Mike Todd warmed up with a back-somersault as the team looked on in amazement.

"WOW"

Rosalyn Young readies herself to release a deadly jump shot.

GIRLS' BASKETBALL

Mumford's cagerettes continued their winning ways by opening their season victoriously. Stalwarts Lil Meklir, Roz Young, and Claudia Chapman led the squad early in the season. The season was not completed when the CAPRI went to press.

Claudia Chapman scores one of the familiar lay-ups that made her a standout all season long.

Girls contest hotly for the ball in a goal-mouth scramble.

Field Hockey

Team scoring leader Lil Meklir led girls to a great comeback year.

Our girls' field hockey team completed their most successful season in many years to finish with a record of three wins and two losses.

This showing marked one of the greatest comebacks in Mumford sports history. Last year they were shut out in all of their encounters.

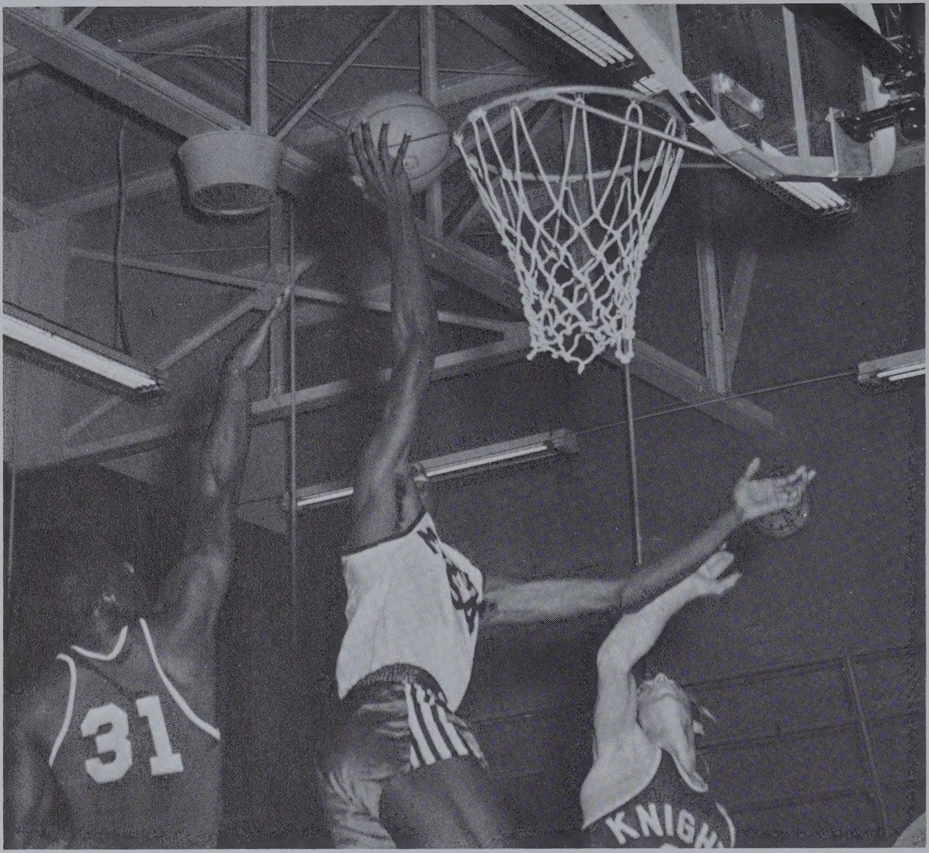
"Just hanging around", Robert Johnson insures this Mustang two-pointer.



All-PSL Center Mike Murdock demonstrates his ability to move toward the hoop by weaving through these two unfortunate Knights.

THE PLAYERS - As the season opened, many were skeptical about our chances for a first division finish. Once again, however, Coach Sam Taub drilled the Mustangs into a fine team, which finished second only to a great Pershing squad.

Senior Center Mike Murdock paced the Mustangs all season long with his outstanding rebounding and consistent scoring. Murdock was named to the All-PSL team.

Backcourt stalwart Bill Berris, an 11A, frequently led the Mustang scoring. He is a definite candidate for All City honors next season.

January graduates Daryl Landrum, Andrew Link, and Les Helms were instrumental in this season's success. Others who turned in fine efforts were juniors Art Webb, Claude Binion, Otis Whitehead, Marvin Taylor, and Ricardo Thomas.

Thomas was a great surprise, playing fine basketball as a replacement for Helms. He is also a prospect for honors next year.

Since only Murdock will not return next year, the outlook is indeed good for the Mustangs to challenge for the title in their first season on the City's West Side.

THE SEASON - Our cagers finished the exciting 1966-67 basketball season with an 11-4 won-lost record.

The cagers, who were defending their East Side Championship, finished second in their division this year.

Losses to Pershing and Northeastern were the only blemishes on Mumford's regular season record.

The other two defeats were at the hands of Southwestern in city and state tournament play.

Repeating as district champions, the Mustangs were unable to hang on to their regional crown. They fell victim to a quick Southwestern squad.

Daryl Landrum finds it possible to take it easy as he watches Murdock casually ram home another two-pointer.

MAY WE DISCUSS YOUR FUTURE WITH YOU?

As a graduating senior, will you soon be seeking employment? If so, what kind of work? In what type of business? These are important decisions you must make.

Of course, you want to work for a reliable firm that provides pleasant working conditions, good pay, and liberal employment benefits. You want to work with friendly people. But more than that, you want to know that your first job can prepare you for something better in the future. You have these advantages at the National Bank of Detroit.

There are many types of starting jobs at NBD. They all provide opportunity to learn and to advance. We'd like to tell you more about them.

THE Last WORD

Time is relative. When you are young you hope it will go by fast; when you are old, you pray it will slow down. Your senior year is confusing. You are still young yet you want the time to pass slowly.

This yearbook is filled with memories of that time, those classes, the activities, the hectic days of graduation. Times may change but looking at your CAPRI 20 to 30 years from now will bring memories.

This "package" could not have been possible without the advice of Mr. Charles Kaufman and his continued pleading, and crying to get the book out on time.

Nor it would not have been possible without the business acumen of Mrs. Winifred Glass.

Mr. Raymond Stiles helped keep the focus on our subjects most of the time.

"Even now, while I write, time steals on our youth." -- Hervey
